1. We have reviewed accompanying Unaudited Financial Results of **IMPEX FERRO TECH LIMITED**(the 'Company') for the quarter ended 30th June, 2023, being submitted by the Company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations') as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ("Ind AS") for Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of Listing Regulations. 4. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 5 below "Basis for qualified conclusion" and read with our comments in paragraph 6 & 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the applicable Ind AS as prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. **Basis for Qualified Conclusion**

We draw your attention to Note No. 2 of the accompanying Financial Statements regarding non provision of interest expense on the borrowings of the Company amounting to Rs. 1,429.95 lakhs for the quarter ended 30th June, 2023 (Cumulative Non Provisioning of Rs. 28,545.27 lakhs till 30.06.2023) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expense been recognized, the finance cost for the quarter ended 30th June 2023 would have been Rs. 1,430.14 lakhs instead of Rs. 0.19 lakhs. The total expenses for the quarter ended 30th June 2023 would have been Rs. 1,814.40 lakhs instead of Rs. 384.45 lakhs. The Net loss after tax for the quarter ended 30th June 2023 would have been Rs. 1780.06 lakhs instead of loss of Rs. 350.11 lakhs.

The above reported interest has been calculated using Simple Interest rate.

6. **Material Uncertainty Related to Going Concern**

We draw your attention to **Note No. 3** of the financial results regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The company has accumulated losses as on 30.06.2023. As on date the company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon market scenario, the debt resolution of the company, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future. Our opinion is not modified in respect of this matter.

7. **Emphasis of Matter**

- i. *"Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" etc includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. The reported Financials might have consequential impact which remains unascertained.*
- ii. *The company has not deposited undisputed statutory dues to appropriate authority in time and deposit was delayed. Undisputed Statutory dues amounting to Rs. 457.98 lakhs was in arrears as at 30th June, 2023 for a period of more than Six months.*

8. **Other Matter**

With reference to Note 4 to the financial result the manufacturing operation of the plant of the company situated at Kalyanesheri, West Bengal has been temporarily shut down since October, 2022 due to disconnection of power supply by the Damodar Valley Corporation (DVC).
